

Where Learning is Fun !

21st December 2019

Dear Parents

So, here we are again... the end of another year approaches and 2020 is just around the corner...and all remains well here at El-Iman School- notwithstanding the vagaries of the British weather of course!

Alongside our work on preparing students to get the best possible learning results, you know that I am equally passionate that learning should also be fun. We certainly have had some fantastic enrichment activities over the last half term to complement all the work we are doing improving teaching and learning and raising standards.

Today, 21st December is the last day of term and students will be dismissed at **13.00**

The school re-opens for students at **9.45 am on the 11th January**, for the spring term 2020.

I am so proud of everything staff and students have achieved this term, of course, none of this could happen without your support as parents ,and I look forward to sharing even more successes with you in the New Year.

With best wishes for a peaceful and enjoyable holiday!

Happy New Year!

Yours faithfully

Nachida Salhi

El-Iman School, Harrow High School, Gayton Road, HA1 2GJ.
